

## **Marco Claudio Grillo - Director**

Born in Savona (Sv), on September 4, 1968.

Marco Claudio Grillo, graduated in Information Sciences at the University of Milan in 1993, is an entrepreneur and *manager* in the *high-tech* and real estate sectors. In 1993, on the occasion of the birth of the Internet in Italy, he participated in the *start-up* of the first *Internet provider*. In 1996 he opened the Italian office of the American company Ascend Communications Inc. After having held the position of Head of Italy at Dell Inc., thanks to the obtaining of a loan from Mediobanca, he founded FlowInspect SpA, an international pioneer company in IT security systems. In 2009 he was appointed CEO of eMaze Networks SpA, a leading company in Italy in the IT security sector, and then became active in the real estate sector, founding the company Abitare In SpA together with his partner Luigi Gozzini.
