

## **Stefano Rossetti - Alternate Auditor**

Born in Perugia (PG), June 8, 1981.

Stefano Rossetti graduated in 2004 in Economics and Commerce from the University of Perugia and a *Masters* in Tax Law from the Sole 24 Ore Business School. His professional activity is focused on the teaching activity he carries out on behalf of the Euroconference training company. The conference activity focuses on the operational aspects of tax law, accounting, and corporate issues. The other activities he deals with are tax litigation and assistance to companies or individuals during the pre-litigation phase; valuation of companies; as well as ordinary and extraordinary consultancy for companies or corporate groups.
